What a great week! Year 2 enjoyed a walk to the local shops to enrich our English vocabulary. We also got to watch a brilliant pantomime in school! We have been very busy practicing for our Nativity. We are super proud of all the children. Please continue to practice lines at home.

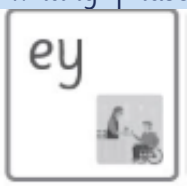
ENGLISH

We all really enjoyed our short walk to the Manor Way shops this week. It provided great inspiration for our writing linked to our class text, *Last Stop on Market Street*. Our first-hand experience allowed us to think really carefully about our senses. The walk enriched our vocabulary as we thought about what we could hear, smell, see and touch. I wonder if you can take a short walk, perhaps to your local park and use your senses to describe your experience.

SPELLINGS/PHONICS

This week we have been assessing all the children as we are starting a new phonics scheme. We recapped the 'ey' sound. Can you draw and label some pictures with words containing the ey sound? E.g. donkey, valley
Keep practicing reading and writing phase 3 and 5 high frequency words.



MATHS

In Maths, we have continued to look at money. This week, we have added different coins and notes to make an amount. How many different ways can you make 10p? 20p? 50p? Write your answers down showing which coins you could use.

PSHE

In PSHE this week we looked at how we can show our feelings kindly and calmly. We explored ways of solving disagreements and asking for help when needed. Below are the different feelings and emotions that we explored.
