WHAT ARE WE UP TO?

This week in our Pathway to Success lessons, children have been learning what it means to build positive and healthy friendships at school. Through discussions and activities, we have been thinking about how to show kindness, communicate respectfully, and solve small conflicts in positive ways.

We encourage you to talk with your child at home about what makes a great friend and how they can practice these skills each day.

NOTE FROM THE ACTING HEAD TEACHERS

It has been wonderful to welcome so many parents into school this week, especially for the Year 5 assembly and our behaviour workshops. The children have loved having their parents in school and were equally excited to meet other visitors, including the fire service.

There's also a real buzz around school as we begin to introduce a fresh new look with our display boards - we can't wait to see them proudly filled with the children's amazing work!

SUPPORT FOR OUR CHILDREN IN A DIGITAL WORLD

'What I wish my parents or carers knew...': A guide for parents and carers on managing children's digital lives

Parenting today can feel overwhelming - especially when childhood looks so different from what we grew up with. There's no manual, and it can be hard to keep up with the fast-changing digital world your child moves through every day. This guide aims to make those conversations easier and help you support your child with confidence

WHOLE SCHOOL
ATTENDANCE**

There is a huge improvement in attendance this week!
Well done to RR, 1A, 2A, 3R, 4T and 4Q who have all improved their attendance this week!

Summerswood Super Stars!

A huge congratulations to this week's Super Stars!
Well done, we are so proud of you!

Lots of these children have demonstrated our school rules- Ready Respectful and Safe as well as show determination and creativity. Absolute Superstars!

IMPORTANT REMINDERS

Drivers!

We would like to remind everyone to be considerate and safe when driving around the school site. There have been reports of pedestrians being narrowly missed by cars, as well as driveways continuing to be blocked, which is both worrying and unacceptable. In these situations, we do encourage families to make police reports, and we would hate for anyone to face fines as a result. We work hard to teach our children to be respectful and responsible members of the community, and we ask all adults to be positive role models by driving thoughtfully and parking considerately, keeping everyone safe.
