NOTE FROM THE ACTING HEAD TEACHERS

It's been a really lovely week in school as we've been taking part in Children's Mental Health Awareness Week, all centred around the idea of belonging. The children have been thinking about what makes each of us different and the little things around school that help us feel part of our community. In Monday's assembly, lots of children shared how much their friendships mean to them, and how their teachers help them feel supported and cared for. This links perfectly with our theme for the year: "I belong, You belong, We belong." We'll keep exploring this together as the year goes on, helping everyone feel that they have a special place in our school.

It is amazing to see so many classes achieving near to 100%. Reception Rosen, 1D and 2A will all enjoy the reward of an extra playtime for this great achievement!

Well done to everyone who is working hard to improve their attendance!
