

YEAR 1 NEWSLETTER

DATE: Friday 10th October 2026

This week in year 1 children have been working so hard and trying their best. Thank you to all parents and families that donated money for resources and Mental Health Awareness Day!

UPCOMING EVENTS

Please bring in baby pictures if you have not already!

SCHOOL ACTIVITIES

Club Lists will be sent out to parents soon - watch this space.

ENGLISH

This week we have been exploring Poetry and writing our own rainbow of colour based poem. Children have drafted, edited and published their work ready for display

SPELLINGS/PHONICS

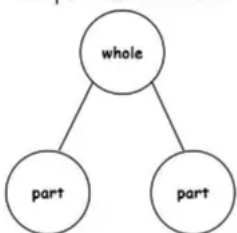

We look forward to reading your sentences for the following words - remember they are due on Wednesday! You can choose a group of words and either practice writing them/ or write some simple sentences using them.

Group 1: Choose 5 of your own words!
Group 2: band, land, ramp, camp, stamp

MATHS

This week in maths we have been exploring ordinal numbers and we have started exploring part whole models.

The part-whole model

SCIENCE

This week in our topic of Materials, children were exploring and testing to see which materials are waterproof!

waterproof

OTHER SUBJECTS

History: Children have looking at objects, photos and stories to find out about the past.

P.E: focusing on various ways of travelling, including running and jumping.

In R.E, we have been exploring that God is the creator and someone special. We were also exploring the story of Adam and Eve and how making poor choices can have consequences.

In music we have been performing and learning uplifting songs!

THANK YOU FOR YOUR SUPPORT -

Miss Kaur & Mrs Otugo
