

YEAR 2 NEWSLETTER

DATE: Friday 9th October - Week 6

We have had a great week in Year 2. The children did us really proud showing off their work and being amazing while we had visitors here this week. We are very proud of them.

UPCOMING EVENTS

Thursday 15th October – Year 2 Trip to RAF Museum (Please make sure your child has a packed lunch)

SCHOOL ACTIVITIES

Club lists will be sent out to parents soon – watch this space.

ENGLISH

This week, we started a new text

‘How to make friends with a ghost’.

The children have had great ideas on what they could do with their own ghosts and had a go at acting out the story too.

SPELLINGS/PHONICS

This week in phonics we revised the sounds *ph*, *wh* and *ew*. For homework, please draw and label pictures containing these sounds, e.g. phone, whale, screw. For an extra challenge, put each word into an interesting sentence.

MATHS

In Maths, we have looked at number facts to 10 and to 100. Can you use chalk to draw part whole models to 10 and 100?

SCIENCE

In Science, we have continued to look at the properties of materials. We have been testing whether a material is absorbent or not.

OTHER SUBJECTS

In PE this week, we had lots of fun learning how to dodge ready to play dodgeball in our next lessons. In DT, we practiced a running stitch and over stitch to help with our handy pouches next week.

THANK YOU FOR YOUR SUPPORT – Mrs Benedick, Miss Wisdom and Miss McNamara
